Return in the post

1. Complete this form
2. Replace the item(s) in relevant packaging (e.g. ring box) as well as using the protective outer packaging. If this protection has been discarded please ensure the goods are safely packed - if it damages in transit it may affect our ability to give a refund
3. Post to the 'Online Customer Services' address on the front of this invoice. Send to this address only, not to any of our stores. This is not a prepaid label
4. Please ensure you pay enough postage to cover the cost of the contents and safe return of the parcel. Retain proof of postage until your refund has been authorised

All of the above is in addition to your statutory rights. For more information on our Returns Policy please see www.fhinds.co.uk/about-us/returns or call us on 01895 201040 (option 2).
